CONTRACT APPROVAL
Contract No. SP-1914

This will serve as formal authorization to proceed with the required engineering and manufacturing to prototype a pilot ejection seat in one of the FOG articles.

Fifty percent (50%) of the cost of the prototype only and 100% of the balance of related costs are to be charged to Contract No. SP-1914. In the event sufficient funds do not remain in SP-1914 for this work please advise in order that we may determine if funds are available to cover this additional work.

Please submit directly to Col. Brewer and the undersigned your proposal for this work.
